

5th Joint ECTRIMS/MSIF Fellowship Alumni Meeting

Wednesday, 11 September 2019, 19.00 - 21.00
Stockholmsmässan, Stockholm, Sweden (Room “K11”)

Agenda

19:00	Welcome address	Prof. Bernhard Hemmer , ECTRIMS President Prof. Brenda Banwell , incoming chair of the IMSB
19:10	Alumni presentations	
	1. ECTRIMS Postdoctoral Fellowship	Joanna Marczyńska, PhD <i>Mechanisms suppressing autoimmune responses in the central nervous system</i>
	2. MSIF Du Pré Grant	Nathalie Meneguette, MD <i>Tracing the first steps of the neuronal death cascade in multiple sclerosis using novel multimodal retinal imaging techniques</i>
	3. ECTRIMS-MAGNIMS Fellowship in MRI in MS	Sarah Collorone, MD <i>MyLongitudinal changes in structural cortical networks in clinically isolated syndrome: using 3D T1-weighted high resolution scans from the MAGNIMS CIS Cohort</i>
	4. MSIF-ECTRIMS Fellowship	Maria José Ulloa Navas <i>Investigation of CRISPR-Cas9 editing of oligodendrocytes may improve their ability to remyelinate injured axons</i>
	5. ECTRIMS Nurse Training Fellowship	Francesco Pastore <i>SM care 2.0: the role of the nurse in telemedicine and e-health applied to MS patients</i>
	6. MSIF-ARSEP Fellowship	Izanne Roos, MD <i>Treatment Lag in Progressive and Relapsing Multiple Sclerosis Forms</i>
	7. ECTRIMS Clinical Training Fellowship	Nuria Cerda Fuertes, MD <i>Evaluation of clinical bedside tests (primitive reflexes e.g. palmomental reflex) of MS patients in correlation with neuropsychological tests</i>
	8. MSIF Du Pré Grant	Reza Rahmanzadeh, MD <i>Comparing oligodendroglial expression levels of enzymes involved in detoxification of reactive oxygen species and kinases contributing to the mTOR signaling pathway between oligodendrocytes in MS</i>
ca. 20:30	Closing address & group photo	Peer Baneke , CEO MSIF

Networking reception with drinks and a light buffet dinner
